

WEBINAR:

EXPLORING THE CURRENT WEB TOOLBOX

Super Searcher Research Tips & Techniques - 2010 Update

Led by **Robert Lackie**, Rider University

Friday, May 14, 2010

2:00 pm – 3:30 pm (1.5 CEU hours)

Cost: \$10

This session gathers a wide variety of tips and techniques from today's super searcher presenters/authors for teaching users about performing more practical and sophisticated Web searches. The most popular and the best recommended search services will be demonstrated and discussed, along with pointers for keeping up with many high-quality Web resources.

By the end of this Web Toolbox session, participants will have gained knowledge of and be able to:

- Match up and discuss most popular search services' strengths and weaknesses
- Use advanced search features of a variety of search services to devise complex search strategies
- Utilize tools needed to keep abreast of practical Web research methods.

IMPORTANT!

Please consult <http://rlcwebinars.pbworks.com> for handouts (if there is any) and instructions on preparing your computer and logging in to the webinar, prior to the event.

To register,
